## Part 3: Plan

Write your answer below.

Write a plan for the essay prompt below. Please note – this question asks for a plan, not a full essay. You will write the essay in the next question.

Describe a device you use regularly.

Include information about:

- how the design of this device has changed over time.
- what rules and tips people should follow to stay safe when using the device.
- who this device is popular with, and why.

1- The design of smartphones has changed a lot over time! It used to be bulky and heavy, but now it's elegant and lightweight. They have become thinner and easier to carry, thanks to advances in technology. Plus, they're available in a range of stylish colors and stylish designs.

2- To stay safe while using a smartphone, there are some rules and tips that must be followed. First, set a strong password or passcode to protect your personal information. Be careful when clicking on links or downloading apps from unknown sources to avoid malware. It's also important to pay attention to your surroundings while using your phone, especially when walking or driving. Don't forget to take regular breaks and maintain a healthy balance between screen time and real-life interactions.

3- Smartphones are very popular with everyone these days! It is versatile, portable and offers a wide range of features and applications that cater to different interests. They attract students for study and leisure, professionals for work and networking, and even seniors to stay in touch with family and friends. Basically, smartphones have become an essential part of our daily lives, making tasks easier and keeping us connected wherever we go!
