English Assessment Planner

Level 7.1

Term 1

2022 – 2023

Overview

In this assessment planner, you will find all of the tools and information you need to plan and implement Term 1 assessments. While every effort has been made to provide complete and accurate information in this document, there is a possibility that elements of the assessment plan will be updated as the term progresses. If the need arises, updates will be communicated as soon as the assessment team is aware of the change and an updated version of this document will be provided.

Level Alignments

Level alignments allow you to access and understand targeted learning outcomes and assessment goals for your students. Level alignments include the English Language Curriculum Framework for Excellence (ECFE) Level, the Literacy Level, the CEFR Level, the Lexile Range, the Global Scale of English level, a list of National and International Assessments, and a list of assessed curriculum frameworks.

Coverage

Coverage details are of particular importance in planning instruction for the term. In order to ensure that students are fully prepared for assessments, ensure frequent exposure to Term 1 assessment topics, lexis, grammar and functional language found in **this** document. Coverage may differ from what is featured in the course books. The Literacy and Humanities Assessment Unit will provide resources to support you and your students in preparing for assessments. A supporting slideshow with examples of Term 1 grammatical points and functional language will be released in weeks 6 - 7 to provide support for all Term 1 assessments. An additional slideshow will be released ahead of the Reading Summative Assessment. This is for classroom use and will contain information about key lexis. We recommend using the information in the coverage details to develop your own resources to provide additional exposure to assessed topics and language points throughout the term.

Term 1 Assessments

In Term 1 Assessments, you will find a list of all assessments for the term including the assessment type, weights for the term and the academic year, pacing, release dates and due dates, and a brief description of each assessment.

Assessment Timeline

The assessment timeline provides a visual representation of the assessment plan for Term 1. It details when assessments are to be completed and marked, and also provides release information for all resources and assessment tools.

Specifications and Guidance

Guidance will be provided ahead of implementation and all specifications are included in the document. The specifications and guidance are similar to the documents released by the assessment team in previous years, with some updates to formatting and content for cohesion and to reflect changes to the assessment plan for the current academic year. Specifications and guidance are provided for the Reading Summative Assessment.
