### Reading Skills Check 1 (Level 5)

Fatima lives with her family in a villa in Abu Dhabi. They used to live in an apartment in Dubai but they moved to have more space. The new home has 6 rooms. The living room has a large balcony so there is a lot of light.

The old apartment didn't have a balcony. Fatima's mother takes the clothes from the washing machine and hangs them on the balcony. In the old apartment, it looked messy as they used to dry the clothes in the rooms. Fatima likes to clean her own room. She has a small bedroom but the windows are big. In the apartment, the room was bigger, but it didn't feel like there was much light as the windows were small. From her new bedroom she can see the garden and it is a beautiful, colourful view. Fatima's grandmother likes to cook for all of the family and enjoys the new kitchen and appliances she has in the villa. She didn't live with them in Dubai and they are all happy she is with them now.
