## Plants

1. At school, we are learning about plants and animals. I like learning about how plants grow. I asked Mr. Ali about how you plant a flower. He said plants need water. The water helps the flower to grow tall. The plants in school are small because there is no water for them. Some of the plants are green and some are yellow.

2. After school, I like to go to my garden. My mum and I like to see my flowers. They are tall. I give them more water to help them grow. I can see some ants walking on them. They are small and brown. They have six legs and they eat leaves. My cat sits in the garden and looks at the sky.

3. My dad and I like to see how big things are in the garden. My mum gives us a ruler to help us find tall things outside. My dad is big. He is two meters tall. We go to the end of the garden to see how big or small the trees and plants are. We use our ruler to see if it is a big plant. My dad asks me to see how small the flowers are. When we finish, we help my mum tidy the garden and then we go to bed.
