Rashid's Family

Rashid loves his family very much. He has a brother, Ali, and a sister, Haneen. They want to invent robots when they grow up. Rashid wants to invent a robot that can go to Mars or onto the ocean floor and measure things. The robot will have wheels and a camera. Ali wants to invent a strong robot that will go to dangerous places, such as burning buildings, and save people. It will have a light and a camera. Rashid's and Ali's robots will be huge and heavy, so they won't be able to go to small spaces. Haneen doesn't want to invent an enormous robot, like her brother. Her robot will be small, but it will be helpful, so people can use it at home. It will be able to help patients in wheelchairs. It will carry things for them and help them climb stairs.

Examples:

Rashid is Ali's _____.
