The frogs in the pond started wearing earplugs! For breakfast every day, Paul Bunyan's mum and dad fed him 12 eggs, a loaf of bread, 10 bananas and 24 pancakes with lots of syrup. Pancakes were Paul's favourite food. Paul grew bigger and bigger. He grew two centimetres every day. By the time Paul was seven, he was taller than the tallest home in his village.

Paul went to school, but he was too big to fit inside. He had to lie outside on the grass and watch through the window. After school, the children used to come and play with Paul. But sometimes he felt lonely. 'What's the matter?' Paul's mum asked. 'I wish I had a friend who was my size,' Paul said to his mum. One winter, there was a huge snowstorm. Paul heard something crying outside. He went out in the storm to see who was there. He dug through the snow and found a baby ox – a very big baby ox, just the right size to be Paul's friend.
