Level 2.1

Term 1

2022 – 2023

I. Overview

In this assessment planner, you will find all of the tools and information you need to plan and implement Term 1 assessments. While every effort has been made to provide complete and accurate information in this document, there is a possibility that elements of the assessment plan will be updated as the term progresses. If the need arises, updates will be communicated as soon as the assessment team is aware of the change and an updated version of this document will be provided.

Level Alignments

Level alignments allow you to access and understand targeted learning outcomes and assessment goals for your students. Level alignments include the English Language Curriculum Framework for Excellence (ECFE) Level, the Literacy Level, the CEFR Level, the Lexile Range, a list of National and International Assessments, and a list of assessed curriculum frameworks.

Coverage

Coverage details are of particular importance in planning instruction for the term. In order to ensure that students are fully prepared for assessments, ensure frequent exposure to Term 1, lexis, grammar, high frequency words, phonics and functional language. The Group A Assessment Unit will provide resources to support you and your students in preparing for assessments. For the end of term exams, a slideshow for classroom use will be released ahead of the assessment with information about question types, a list of key lexis, and examples of questions that will be used. We recommend using the information in the coverage details to develop your own resources to provide additional exposure to assessed language points throughout the term.

Term 1 Assessments

In Term 1 Assessments, you will find assessment information for the term including the end of term exam specifications, weights for the term and the academic year, pacing, release dates for supporting materials, and a brief description of each assessment.

Assessment Timeline

The assessment timeline provides a visual representation of the assessment plan for Term 1. It details when assessments are to be completed and marked and also provides release information for all resources and assessment tools.

Specifications and Guidance

The end of term assessment specifications are included in this document, and a supporting PowerPoint presentation will be released approximately two weeks before the date of the exam.
