		I like books about animals.	B

Part B1

Read the texts and answer the questions. For each question **choose** A,B or or **write** your answer on the line.

Hello. I'm Alexa and I live in Tromso in the north of Norway. In the summer months, there is no sunrise and no sunset here. The people of Norway can see the sun all day and all night too. That's why it's called the land of the Midnight sun. In the evening, it can be difficult to fall asleep because it is still light outside. Last Night was really cool! We stayed up late and played basketball at 11.00pm! On Saturday, my dad and granddad are doing a midnight hike.

17- Tromso is in the _____ of Norway.

A- North

B- South

C- East

18- In the _____ months, there is no sunrise and no sunset in Tromso.

A-winter

B-spring

D- summer

19- The people of _____ Norway can see the sun all day and all night too.

20-Norway is called the land of the Midnight sun _____.

21- In the evening _____, it can be difficult to fall asleep.

22- Last _____ night _____ was really cool

23- They stayed up late and played _____ basketball _____ at 11.00pm.

24- On _____ Saturday _____, the dad and granddad are doing a midnight hike.

Part B1	/24
---------	-----

Part B1

Read the texts and answer the questions. For each question **choose** A,B or or **write** your answer on the line.

Muna is 12 years old and lives with her parents, near Fujairah, in the UAE. Her house is small and very old. She always wakes up early for morning prayers. She washes before prayers. C. midnight

19-What is Muna's favorite food?

- A. chebab
- B. khameers
- C. hares

20-What does Muna want to be?

- A. teacher
- B. scientist
- C. painter

21-Where does Muna live? _____ She lives near Fujairah

22-Why does she wake up early? _____ She wakes up for morning prayer

23-What does she have for breakfast ? _____ She usually has chebab or khameers

24-Why does she want to be a scientist ? _____

Part B1 /24

Part B1

She wants to be a scientist to discover new things to help people

Read the texts and answer the questions. For each question choose A,B or write your answer on the line.

Adeeb al Baloushi is a twelve-year-old inventor from Dubai. He started inventing when he was nine. First he helped his father with a new kind of artificial leg. Then he decided to help his mother. It was hard for her to reach under the sofa to clean. Adeeb built a robot to do the job. It took him just one day. The robot is very small so it can go to places that are hard for a person to reach. It has a brush, a motor and batteries. When Adeeb's mother went into the living room, she was surprised that Adeeb was sitting on the sofa. She looked under the sofa and it was clean. Adeeb showed her the robot. Now no one had to clean the floor, because the robot could do it for them. Adeeb is a member of the Arab Robotics Association. Adeeb is still inventing. He hopes he will make many other new things that will help people

17- How old is Adeeb?

- A. 12
- B. 20
- C. 22

18- Where is Adeeb from?

- A. Dubai
- B. Sharjah
- C. Ajman

19- How long does it take from Adeeb to invent the robot?

- A. one day
- B. one month
- C. one year

20- How was the robot?

- A. big
- B. huge
- C. small

21-The robot has a brush, a motor and _____ batteries

22- When Adeeb's mother went into the living room, she was _____ surprised

23- Adeeb is a member of the Arab _____ robotic - _____ Association.

24- He hopes he will make many other new things that will help _____ people

Part B1 /24

Part B1

Read the texts and answer the questions. For each question **choose** A,B or or **write** your answer on the line.

My family is sports mad! I love playing football and I sometimes go with my father and brother to watch football matches. My favourite team is Al Ain F.C.

Both my sisters go horse-riding every weekend and my mum plays tennis with her sister on Tuesdays and Thursdays. I also do judo and have a yellow belt at the moment, but some day I want to have a black belt. My grandfather doesn't play sport any more, but he used to go running and swimming a lot. Now, he goes for long walks with my grandmother to stay healthy.
