Read about Adel then answer the questions

Hi, I'm Adel and this is my twin brother, Waleed.

We are very excited because we're going camping next weekend with our family.

The last time we went camping was about six years ago, when we were six years old. We had a brilliant time. All our family drove to Al Hayer forest in summer. It was so hot in July but there were lots of ghaf trees to camp under and stay cool. The land was flat, but there were lots of sand dunes and mountains.

My mother had brought lots of delicious food to cook on the barbecue and we ate barbecued lamb and chicken. There was a big fire and my grandfather told us old stories of when he was a boy.

We all slept in tents at night and heard lots of animal noises. My father told me that he had seen a fox and some bats! Everyone had to shake the tents in the morning because some scorpions had crawled in. I was scared of the scorpions, but they ran away quickly.

A proud memory

Read the story about a proud memory and answer the questions.

Last year, my school celebrated the National Day of the United Arab Emirates. My friends and I were very excited and I went to school early, so I could help the teachers. There were so many things to do at school!

We drank camel milk and ate dates and listened to stories about how the Bedouin used camels to travel across the desert.

We painted our hands with henna and my teacher showed us how to make a basket using palm tree leaves. It was a lot of fun and I felt very proud when she told the class that my basket was the best! My mother loves the basket and uses it in the kitchen every day.
