"Hey, Zayed," called Saif, "can you help me? I want to ask for your advice. I want to exercise and move more. I think sport is good. I can get fit, and it might be quite exciting too. I play tennis with my brother sometimes, but I need to exercise more often. I can run fast and jump very well, but I can't throw or catch a ball. I don't like water, so I can't do water sports."

"I think playing sport is fun," said Zayed. "You can also make new friends if you play a team sport. When I go to the basketball club every Wednesday, I play basketball with my friends. I really enjoy running and throwing the ball. Every week, when basketball club is over, we watch a movie together at my house. I really like playing basketball, but I don't think you would like it. You could play tennis on weekends, but I think you should try football. Football practice is every Thursday. I can ask my friend, Marwan, to take you."

"That sounds great," said Saif, "Thank you. I'm very excited."

Reading

Some people read when they are bored. When you travel a long way, you can read to pass the time. You can read anywhere, but I think home is a very good place to read. Find a comfortable chair and open a book. This is a great way to spend many hours. Of course, the library is another place to read because there are lots of books there!

Reading looks after your body and your brain. When you read, you can't think about other things. The story makes you forget any difficult things in your life. After a busy day at school, it is nice to come home and have some quieter time with a book. You can make a drink and some snacks to eat as you read. You might want to sleep, but an exciting book should keep your eyes open! Reading makes you feel happy and healthy.

People enjoy talking about stories that they have read. They share pictures and ideas online every day. Some people like dressing up to look like a person from their favourite book and going to special meetings. They make new friends this way. Reading brings people together.
