**Reading Passage:**

**A Day at the Park**

**T2-2024-2025-5Access-Revision** مراجعة صف خامس

---

One sunny morning, Sarah and her little brother Jack decided to visit the park. They packed a picnic basket with sandwiches, fruits, and juice. As they arrived, Sarah spread out a blanket on the grass, while Jack ran off to play on the swings. The park was full of children playing, some on the slides, others on the merry-go-round.

After a while, Sarah and Jack decided to take a walk around the park. They saw a small pond with ducks swimming in it. Jack was excited and wanted to feed the ducks, so Sarah gave him some of the bread from their picnic.

Later, they went to the playground where Jack made a new friend. They played games together until it was time for lunch. After enjoying their meal, they lay on the grass and watched the clouds in the sky.

It was a perfect day, and they both had so much fun. Sarah and Jack promised to visit the park again soon.
