I have many good friends, but my best friend is Ahmed. We share a lot of common interests, and I can be unapologetically myself with him. Ahmed and I are in the same grade and we both like to watch movies and go camping in the desert. We also enjoy playing volleyball and football. Moreover, he is a good human being. I admire his kindness, honesty, friendliness, and sincerity. He offers sensible advice and suggestions in the times of confusion.

He is a gem of a person, and I am lucky to have him as my best friend!
