A Travel Guide

Whether you’re travelling to the islands or the mountains of Thailand, you’re likely to spend at least one night in its capital city on the way. Bangkok might be noisy and polluted but it’s also an exciting city with plenty of things to see and do. Why not make it a longer stay?

The Khao San Road was a famous traveler spot even before Leonardo di Caprio’s character in the film “The Beach” stayed there. But it’s noisy, not very pretty and not very Thai. For something more **authentic**, Phra Kanong offers an alternative place to stay, with its fantastic street markets where everyday Bangkok people eat, work and live. It’s not as convenient for the main tourist

sites, but it has a Skytrain station so you can be at the Grand Palace in 20 minutes.

Bangkok's traffic can be a nightmare. Sure, you can easily take a taxi – if you want to spend hours stuck in traffic jams – but there are two much better ways to get around the city. To explore the temples and historical sites, catch an express boat river taxi or a longtail boat along the Chao Phraya River and the canals. For the modern part of the city, the Skytrain is a fast, cheap way to travel from the river to the shopping malls and nightlife of Sukhumvit, and the famous Chatuchak street market.

Thai street food is among the best in the world, and for around \$5 you can eat a filling and delicious meal. Some food stands have little plastic seats where you can sit and eat and they cook the same dish over and over, like fried chicken on rice or Pad Thai noodles. Head for Chinatown – Yaowarat Street – and choose whatever looks most interesting from the many excellent Chinese and Thai restaurants and food stands.

After you've seen the main sites like the Giant Buddha at the temple of Wat Pho and the spectacular Grand Palace, and shopped at Chatuchak market, check out the snake farm and watch the live snake show. You can even touch a snake yourself if you want to!

1) What is the main idea of the text?

- A. Comparison between Bangkok and other cities
- B. The beach in Bangkok
- C. How not to get lost in this city
- D. Things you can see and do in Bangkok

2) The underlined word authentic is closest in meaning to:

- A. Imaginary
- B. Amazing
- C. Real
- D. Comfortable

- 3) **The best heading for paragraph 2 would be:**
- A. How to get around
 - B. **Where to stay**
 - C. What to do there
 - D. Where to eat
- 4) **The best means of transport to get to the temples is:**
- A. Taxi
 - B. Train
 - C. **Boat**
 - D. Airplane
- 5) **The place where “The beach” was filmed is:**
- A. Phra Kanong
 - B. **Khao San Road**
 - C. Chao Phraya
 - D. Yaowarat

The History of Basketball

In 1891, a Canadian sports teacher who worked in an American school in Massachusetts invented a new game. His name was James Naismith. James decided to create a game for his lazy students. They had to keep fit but they couldn't go outside because it was a very cold winter. They had to play in the gym. He took two old peach baskets that he saw on the floor and put them on the wall. Then, he organized the students in two teams, and he asked them to pass a big round ball and throw it into the baskets. This is how James Naismith

Dear Saeed;

I hope you are well. Today, I start my adventure to the Amazon rainforest. I didn't use to like to travel so much. Now, I am very excited to finally see this beautiful place. We will stay there for two weeks. One thing I want to do is discover new animals. I also want to meet local people from the Amazon and learn about the plants they use for medicine. I know that it will not be easy. I don't like to sleep on small beds in tents. They are very uncomfortable. There are also many dangers. First, there are many wild animals like jaguars and poisonous snakes in the jungle. Also, there are very few roads. We have to cross large rivers with fast water. Sometimes we use old bridges. Some of the bridges across the rivers are not safe. Finally, some rivers have tall waterfalls. If we are not careful, we might go over the waterfalls. Didn't you use to live in Brazil? Did you ever visit the rainforest? I will write to you when we come back!

Your friend,
Khalid
