### IV. Writing

### A. Write a story about " a journey in the past or a folktale":

- These ideas may help you:
- · Decide if it will be fact or fiction.
- · Who were the characters?
- Where was the journey from? Where is it to?
- · What was the reason for the journey?
- · What happened to the characters?
- Was there a happy ending or not?

This is a real story so it is non-fiction; It was a really busy day, when I went to Dubai. First I went to the Clock Tower. Then I wanted to visit the Dubai Museum, so I went over the Maktoum Bridge.

I nearly got lost because the map wasn't very clear. I walked around the museum for an hour or so. Later, I was by the Jumeirah Mosque and decided to walk to Jumeirah public beach.

ThenI saw the Village Mall in front of me, so I did some shopping. I was thinking of visiting the zoo, but I felt a bit tired, and it is on the opposite direction to the city centre, so I went back into the city.

## I. Reading

### A. Read the following passage then answer the questions below:

Once, there was a boy had an old dog. The dog had few teeth and very bad eyes. The boy said to himself "My dog is very old. I shall take it to the river and kill it". So he took it to the river and pushed it into the river.

But the dog swam back to the boy. The boy began to push it back into the river. He hit it with a stick. But the boy fell into water. The water was running quickly. The boy couldn't swim. The boy shouted "Save me! Save me!" But no one heard him. There was no one near.

Then the dog jumped into water. It pulled the boy out of the river. The dog saved the boy. The boy was very happy and thanked the dog. He said to himself "I shall not kill my dog again."
