Read Mike's email to his aunt about his time at summer camp and answer the questions.

Dear Aunt Sarah,

How are you?

Mum said it has been warm up there, and that she has been playing lots of tennis. I know how you and Uncle Philip love being outside in the garden. I always love eating the tasty vegetables from the garden when we visit you. Have you been walking a lot?

I am writing to you from my school summer camp where we are learning to do lots of different and exciting activities and sports.

I have started surfing, and even have my own surfboard*! At first I found it really tough because it is very difficult to stand on a surfboard. I fell off it many times. Luckily, I am a good swimmer!

After a few hours of practice I was able to ride a big wave on the surfboard! My surfing instructor said I was doing very well for my first day. Now that I have this amazing new surfboard, which is a lot better than my last one, I will keep practising to get better.

I wish we lived near the sea so I could surf all the time. I have some friends who live a few miles away from the beach, and they go surfing nearly every day. Mum said when I get home, I can visit them so I can surf more.

There are so many fun things to do here – I have even tried white-water rafting! The best part of camp has been making lots of friends while I have been here.

I hope to see you and Uncle Philip soon – maybe we can go to the beach and I can show you my surfing skills!

Take care,

Mike
