A) Opinion Question: (5 marks)

Do you think it is useful to visit new places? Why?

Yes, I think it is important to visit new places because when we do this, we learn about other cultures. For example, we meet new people and try new foods.

Write an essay about a special place you visited and enjoyed. You should make a plan and cover the following points.

- What was the special place you visited?
- What did you do there?
- Why do you think this is a special place?

B) Plan: (5 marks)

Introduction:

- It is important to visit new places.
- Dubai is my best place.

Body:

- I visited Dubai with my family.
- I saw the tall buildings.
- We went to the desert.
- We went shopping.
- We visited old souks.

Conclusion:

- Dubai is a fantastic place.
- You should visit Dubai.

C) Essay

Visiting new places is a good way of entertainment. Dubai is the best place I **have** ever **visited**. This wonderful **city** offers an amazing blend of modern life and the traditional past. In this essay, I will give more details.

To begin with, I visited this nice place with my family last winter. I was surprised by the tall buildings, markets, and entertainment facilities. We also enjoyed seeing wonderful skyscrapers and the attractive desert. During my visit, I did many exciting activities. For example, we went shopping for the most stylish products in Dubai Mall. Finally, we visited some old souks, like the Gold Souk.

In a word, Dubai has become a so popular place to visit. If you go there, you will really enjoy everything there.

D) Inference Question:

Visiting a new **destination** can be an unforgettable experience, filled with the excitement of **exploring** unfamiliar sights and **customs**. Imagine stepping into a town you've never seen before, where **ancient** buildings stand alongside modern **facilities**, creating a unique blend of history and progress. The air is rich with the aroma of spices from local food stalls, while vibrant colors from market stands selling handmade **goods** brighten the streets. The **atmosphere** feels different, influenced by the local **climate**, which might be warm and humid or cool and breezy, adding to the sensory thrill of the place.

As you explore, you notice local **wildlife**, some of which could be **dangerous** if encountered too closely. The **society** here operates at a different pace, following customs that reflect its deep-rooted **culture**. Observing the way people interact, you sense their respect for both their **ancient** heritage and modern innovations. Even though you're a visitor with no direct ties, you feel a connection to this place, wondering about its stories and the way it fits into the world's diverse tapestry. Visiting a new place often leaves you with a desire to learn more about the unique societies and environments that shape our world.

Do you think the narrator loves travelling to new places? Why do you think your response is the best one?

Based on the text, I think the narrator loves visiting new places. This is clear from his positive feelings reflected in the text. For example, he said that visiting a new place can be an unforgettable experience. He also said, you can feel connected to the new places. This means he believes travelling has got many positives.
