Write a paragraph about **whether you think it is important to learn a new language.** (70 words)

*Do you find it easy to learn new languages?

*Do you think it's important to learn languages? Why or why not?

*How do you feel when you are learning a new language?

➔ Nowadays our life requires some skills like using technology and learning new language fluently. Some people think that it is very important to learn a new language, while others think that it is not easy to learn it .

Firstly learning a new language is very necessary in our life. For example, it provides a good chance to get a better job with a high salary. **Moreover** you can get an opportunity to travel to another country to raise your income. It is important for studying at university .**Another advantage is that** you will be able to chat with native people and communicate with foreigners. English is the most global language in the world. It is the most language used in business, trade and social media.

On the other hand, some people think that it is difficult to learn new language as learning some languages has taken long time and effort. Educated people only can learn it at schools .**In addition**, poor people don't have more money to take courses to learn better. **Another disadvantage is that** silent letters make spelling difficult and a lot of make grammar rules and exceptions make some people find it is not easy to learn the language.

To sum up, however it is important to learn new language, some people find it is not easy to learn it.

I think we can improve our skills to learn a new language by watching film and videos, chatting with natives, studying more vocabulary, using dictionary, and practise the language. All this will help the person feel proud and confident when he connects with foreigners It also breaks the barrier between countries

Write a paragraph about phrases to describe the pros and cons of online learning.(70 words)

*Do you find it easy to learn new languages?

*Do you think it's important to learn languages? Why or why not?

*How do you feel when you are learning a new language?

Today, digital learning is a necessary resource for students and schools all over the world. Some people think that online learning is very important, while others disagree with this opinion. In this essay, I will discuss the advantage and disadvantages of online learning.

Firstly online learning is useful for many reasons. The student can attend from any place because some schools are too far. You will be able to talk to teacher and send the homework by internet. Another advantage is that it improves students' skills in using technology. Moreover it combines audio and video and interactive exercises materials that make learning more exciting. In addition, it is good for environment as it reduces smokes of cars and buses to go to schools .It saves money too. It will be more common in the future.

On the other hand, Students online are easily distracted by social media or other sites. Another disadvantage is that It requires internet connection. Without Wi-Fi access .students can't attend their classes In Addition staring at a screen many hours make health problems to children.

To sum up, Online learning has some advantages and disadvantages at the same time. I think students should be given a lot of breaks from the screen to refresh their mind and their body.

Write Discussion essay about Are **The advantages and disadvantages of social media (70 words):**

What are the types of social media?

What are the advantages of social media?

What are the disadvantages of social media?

→ There are many social media like internet, emails, Facebook and newspaper .It makes the world a small village .Some people **think that** social media are useful, while others **disagree with** point of view. **In this** essay I will discuss the **Advantages and disadvantages of social media.**

On one hand People use social media for many things like sharing ideas, communication, searching for information, and shopping .Students can search and download useful educational apps from the net. **Another advantage is that** People can attend meeting for business via social media. They sent emails for business connection .People also know the world events and know what happens in the world via social media .Teenagers like downloading games from the internet. People can chat online and sea each other through Skype

On the other hand, however it is a good way for communication, some people think that who use social media for a long time suffer from health problems especially on their eyes and backs. **Moreover** they are away from friends and families and feel lonely. Most Teenagers waste their time playing games instead of studying. **Another disadvantage is that** some use it badly and hacker the account of other people. There are some electronic crimes happen because some people tell personal information.

To sum up we can say that **social media** has some advantages and disadvantages **I think** social media is important .It makes our life easier, but we should be careful when we use it , and **We should** use it for useful purposes.

Write an essay about People use ways of communication for different reasons (70 Words)

- How are communications we have today different to those from the past?
 - * Which method of communication do you use the most?
- What new methods of communication do you think there will be in the future?

Communication today is different from the past. It is faster and more developed. People use to send letters and travelled by camels for a long time. They used old telephone, at homes only but today everyone has smartphone and use the internet easily at any time.

The most common method of communications are smartphones and emails. Email is very fast and not expensive .It is used more in business. Smart phone is used to download apps , send message and other uses Virtual reality is an artificial world made by computer It is used not only in games but also to design virtual buildings and make virtual operations on virtual patient . Moreover disabled people can use it to see amazing world without travelling.

In the future communications will be faster and depends more on technology. Robots will help us with chores around the house. Smartphones will be replaced by smart watches. VR will be more common, cheaper and easier . VR will be used in classes We will download VR in our phones.

Write an essay about communication staying safe online (70 words)

- *Why do adults and teenagers use social media?
- *What is the most common social media in the UAE?
- *How can we stay safe online?

People use ways of communications for different reasons. Adults prefer apps that help them keep up with world events, teenagers like to use sites and apps where they can post pictures and communicate with their friends. Most teenagers use social media for educational purposes that is to help them with their studies or homework, whereas adults use apps for business business contacts and find out about job opportunities.

The most common method of communications in the UAE is the email. 99% of teenagers surveyed have an email account, compared with 97% of adults. The email is fast and not expensive. You can send one email to many people at the same time. However you get annoyed with junk emails. Moreover the attachment can destroy your computer with virus.

. There are some tips about how to stay safe online. We can make password .Don't tell any personal information to anyone. Tell parents if someone wants to meet you .Think carefully before you post anything online .Don't download any app before asking parents.

Write Discussion essay about Are TV shows good entertainment ? (70 words):

*Is it important to have to meet friends and families?

*What are the types of entertainment?

*What you did in your free time last weekend?

*What is your plan for entertainment in the future?

→ It is important to have fun and do the things you love. In our free time, we like to do a lot of activities and hobbies for entertainment with other people like friends and families. This makes the person feel happy and excited with new experience that he can't forget all his life.

. While some people do indoor activities, others like going outside .Some people prefer to stay at home, watch TV, read a book, listen to music, watch a football match, cook or surf the net .Most young people like going on Safari or trips for sightseeing. They are interested in travelling to new places, watching films in the cinema or a play in the theatre or playing sport in the gym or a club.

Last week I planned to go to the cinema with my friends to watch a comedy film. I admired the plot and the costumes so much . The actors were so funny than made everyone laugh. On my next holiday, I am planning to go to the theater with my friends to watch a play. It is amazing to see the actors live on a

Reality TV shows are good entertainment

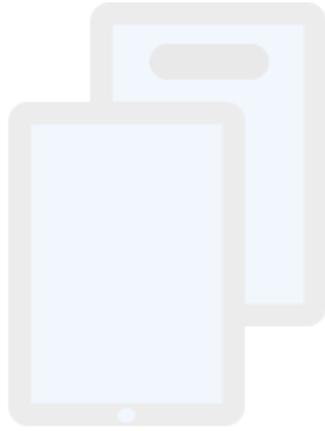

Reality shows are a very popular form of entertainment on TV nowadays. There are dozens of different types of programmes such as singing contests, cooking competitions or going to live in the jungle.

Firstly, I think that there is a lot of variety in reality TV. People at home can choose which types of programme they want to watch depending on what they are interested in. Some people like watching singing or cooking competitions while others prefer watching programmes about building houses or travelling around the world. **In addition**, reality TV programmes are a great opportunity to discover talented singers, dancers or chefs. Several people who take part in these programmes get jobs as a result of being on TV. **Another advantage is that** the people on the shows have interesting experiences and meet new people.

On the other hand, some people think that reality TV is an easy way for them to become famous. **However**, most successful singers, actors or chefs have worked hard all their lives and are good at their job because of their hard work. **Also**, sometimes the people on the shows have to do really difficult or dangerous things. The competitions are very hard and there is only one winner. **Another disadvantage is that** some programmes always follow the same format and this can be boring to watch.

To sum up, I think that reality TV is good entertainment. There is lots of variety which means there is something for everyone and they are interesting to watch.

stage I will also go on safari or camping trip. I think it will be an amazing experience.
