### The Amazing Race

There is a sports festival in Azizi's neighbourhood every year. Some of Azizi's neighbours come together to cook and watch sports, but most of them come to help each other celebrate the new year. It is a lot of fun. Azizi likes going to all of the activities. His favourite activity is running in the race. Azizi's friend, Jawad, won last year.

Azizi, Jawad and their friend, Hamed, lined up to start the race. When the race started, Azizi was running in front of all of the runners. *I am doing really well, Azizi said to himself. I will win the race this year. I have to be faster than Jawad!* Then, Jawad caught up and passed Azizi.

Jawad was winning the race, but he still had to cross the finish line. He started waving to the crowd, but then he tripped and ended up on the floor! Azizi, Hamed and most of the other runners pushed passed him. Azizi looked back and saw that Jawad didn't get up. He turned around and ran back to Jawad. Azizi placed his arm around Jawad and helped him up.

"Why are you helping me? You said you wanted to win," Jawad asked Azizi.

"You are my friend, Jawad," said Azizi. "That is more important than winning."

### The Amazing Race

There is a sports festival in Azizi's neighbourhood every year. Some of Azizi's neighbours come together to cook and watch sports, but most of them come to help each other celebrate the new year. It is a lot of fun. Azizi likes going to all of the activities. His favourite activity is running in the race. Azizi's friend, Jawad, won last year.

Azizi, Jawad and their friend, Hamed, lined up to start the race. When the race started, Azizi was running in front of all of the runners. *I am doing really well, Azizi said to himself. I will win the race this year. I have to be faster than Jawad!* Then, Jawad caught up and passed Azizi.

Jawad was winning the race, but he still had to cross the finish line. He started waving to the crowd, but then he tripped and ended up on the floor! Azizi, Hamed and most of the other runners pushed passed him. Azizi looked back and saw that Jawad didn't get up. He turned around and ran back to Jawad. Azizi placed his arm around Jawad and helped him up.

"Why are you helping me? You said you wanted to win," Jawad asked Azizi.

"You are my friend, Jawad," said Azizi. "That is more important than winning."

### UAE Travel Blog

While visiting the UAE, I noticed how important the country's cultural sites and activities are. I enjoyed exploring the traditional markets in Dubai and seeing the historical areas in Abu Dhabi. However, going to visit RAK's sand dunes was the part I liked most. Although there are only a few things to see there compared to the cities, it was more enjoyable because the weather wasn't as hot. Sadly, I didn't see any wildlife, but I did watch a falconry display. I asked the falcon trainer about it.

"Using falcons to hunt dates back hundreds of years and is practised in quite a few countries internationally, especially those in the Middle East," he said. "It's a central part of the culture and traditions of the UAE. There are only a few places here where you can see it taking place now. I often find myself worrying that this might stop people coming to see the falcons, which would be sad."

"Training starts when the birds are very young," he continued. "You need to hand feed them every day to get them used to you. Once they begin to fly, you must teach them how to hunt. Unless you've built a strong friendship with the birds, they'll not come back when you call. Training falcons is a full-time job which takes up all my free time. My wife complains that I'm always too busy training my birds, but I don't mind because I love doing it so much. You'd better not tell my wife that, though!"

### It's About the Eggs

It's been a special day for more than a hundred years in Zenica, Bosnia. Every year, from March 21st until the 12th of April, a large number of people come together for the Egg Festival. Most people like it because they get to spend time with their family and neighbours. Some shop workers choose to close their shops. They say they have to join the activities of the day because it's important to them, and they enjoy themselves too.

There are lots of activities to see. Other than the egg eating competition, the games people like the most are the egg hunt and the egg race. The egg race is in the morning, while the egg hunt is in the evening. A lot of people come to see the egg race every year. People think that some runners will fall over when they are running. The crowd laughs when it happens. People put an egg on a spoon, and then hold the spoon with their teeth while they run. They have to get to the finish line without dropping the egg.

On most days, the festival starts at nine in the morning and ends in the evening. On the last day, however, it starts at the same time but goes until two in the morning. People sing, dance and enjoy themselves. Sometimes, people are dancing until the sun comes up.
