Read the following text then answer the question below:

Dr. Smith and his brother Sam are very different. Sam is tall and thin. Dr. Smith is short and fat. Sam is a quiet person. He can work for hours alone in his office. Dr. Smith loves to talk and meet people. He can talk for hours with his patients. It is hard to believe the two are brothers. In fact, they have been living together for thirty years. They have two sisters: Sue and Mary.

Sue and Mary now have their own homes. Dr. Smith and Sam share their home with several pets, a cat, a dog, and a bird.

Most of the time, Dr. Smith and Sam are happy in London. But often they think about other parts of the world. Sue lives in Italy. Mary lives in California. So sometimes the two brothers dream of travelling. They want to see their sisters.
