William Shakespeare

3 A) William Shakespeare was born in 1564 in Stratford-Upon-Avon, in England. His father John was a glove maker. His mother Mary was a farmer's daughter. He had two older sisters, two younger sisters and three younger brothers. William probably studied Latin, Greek, and History and left school when he was 14 or 15. Three years later, he married Anne Hathaway. They had a daughter called Suzanna and twins named Judith and Hamnet.

6 B) Some time before 1590, he left Stratford and went to London, the capital city of England. London's first theatre opened in 1576. Shakespeare worked in London as an actor and then started writing plays too. In 1593 the plague, a terrible disease killed thousands of people and theatres were closed. **9** During this time, William started to write poems instead of plays. His short **3** poems called sonnets.

1 C) Shakespeare helped build a new theatre called the Globe. It opened in 1599. It was round and had space for 3000 people. At the globe, some **5** people stood in front of the stage and others had seats. The audience shouted, clapped, booed and laughed while they watched plays. Musicians created **4** special noises to make the plays more exciting and they had canon to make big bangs. No women acted in Shakespeare's time, men and boys played all **2** the parts.

D) Shakespeare wrote comedies with happy endings like "A Midsummer night's Dream". He wrote tragedies which had sad endings like "Romeo and Juliet" . His history plays are about Kings and queens like Henry V. Shakespeare wrote 38 plays, maybe more. He loved language and invented new words and expressions that we will use today.
