"Home Alone" is one of the most exciting films I've ever seen. It's a comic... film... written... by John Hughes and directed by Chris Columbus. The main characters of the film are Kevin, Harry and Marv.

After a fight with his brother in front of the family, his parents send him up to the third floor for the night. Kevin wishes his family would disappear! In the morning they travel to France to celebrate Christmas and forget him at home. Two burglars... Harry and Marv try to rob.....his house , but Kevin makes a plan to stop them....and send them to prison.

My favourite character is Kevin because he is brave and smart. I think the plot..... is very interesting and funny, but I don't like Harry and Marv because they are silly .Also, some scenes are not true.

I advise.....every one to watch this film because it is very funny and exciting. The moral.....of the film is that the family is important for everyone and nobody can live alone.
