Dear friend ,

Hi. How are you? Hope you the best. Sorry for not writing lately. I wonder whether you have decided where to go on you next summer holiday. I think sailing sounds very nice. Right?

Any way, for me, I'm having great time here in Sakheer. I have been here for a week. It is a very wide area in the middle of the desert away from every thing. The place is full of tents of all sizes, large and small. There are few numbers of trees. The weather is very nice and cool in the winter but hot and humid in the summer. I am staying in a large tent with some new friends.

Since we arrived, we have done lots of things. We had a nice party celebrating our arrival. It was a nice one. We practiced lovely games such as volleyball, football and other interesting games like motor racing. Tomorrow, we are going to the nearby sea to go sailing. By the way, I have learnt horse riding. It's a nice experience.

As I told you, I have met some new friends. They are very nice and friendly. Hani always helps others doing things. Sami is hasty somehow, he always does risky things. The others are helpful and like telling adventure stories. One night, while we were sitting round the camp fire, Sami was dancing and accidentally he stepped on a piece of burning wood and burnt his foot. He was in pain for few days and felt sorry for him.

I must finish now because it's time to sleep.

Best wishes,  
Abdullah.
