Dear Sara,

Hi, how are you? Hope you are feeling fine and enjoying your holiday. What you have been doing to spend your time? I miss you a lot .

Well, we are having a trip in Howar Island. It's a very nice place so we are having fun and playing with the sand near the beach. The weather is sunny and windy.

Everyday when we wake up in the morning. My sister and I make a race for a far distant , so who loses have to cook the lunch. And sure, every time I will since we've arrived.

Let me tell you about my friends I've met here. Fatima is a very kind girl and she makes nice things from the yarn like scarf and hat . Zaina is very funny she always makes us laugh and have an amusing time. And the last new friend is Khulood and I guess she is the best , well she is so sweet and likes to help everyone around her and don't even ask them to pay it forward or to say thanks even.

Oh sorry for that but I should end the letter because my mom is calling me and don't forget to write me back and tell me about you and the way you are spending your time.

Yours,
Noora
