Hi there!

How are you? I hope you're doing well. I really miss you all especially my colorful bird. What about the weather in Bahrain? Is it still hot? Any news about my sister Amal since she has got married. I think she has begun a new life just like me in the academic field.

My life has absolutely changed since I came here to study. In the beginning I was shocked with the new situation because it was totally different. Do you remember when you came to wake me and I just ignored? How lazy I was Now I have to depend on myself in everything especially on cleaning and cooking.

To tell you the truth, I've been very affected by the English people. I really admire their respect for others and commitment to rules. Guess what? I joined a social society with some citizens and friends to give people some info about their culture and civilization.

Well, I must go now to the library because my friend Noor is waiting for me. Mum don't forget to feed my bird. Take care of yourself.
