Dear sir / madam

I am writing with reference to your letter of 30th September 2010 regarding the English course you are offering. I really appreciate you for accepting me in your school. I enclose a copy of my CV.

My name is Reem Ahmed Ali. I am seventeen years old, and I live in Sitra with my family. I study at a high school and this year is the last year for me. After graduation I am planning to study Medicine in Egypt. My favorite activities are watching films and taking photos. I am cooperative, hard working and creative.

I am a perfect student. I always get high marks in all subjects. I have participated in many international activities and I have a lot of certificates. Moreover, I have joined some English courses and I am looking forward to passing the (IELTS) this summer. In addition, I have an experience in teaching English. I taught some children English, which was useful and interesting.

My teachers say that I am good at English. However, I think I have some difficulties in speaking. I always stutter when I speak to anybody. As a result, I need more practice in speaking to become a good speaker. Therefore, by the end of the course I hope to improve my English.

I would be grateful if you could send me further information about transportation, fees, available classes and timetable.
I look forward to hearing from you soon.
