Read and Fill in the table using *must* and *mustn't* rules from the text.

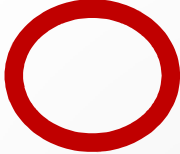

## Classroom rules:

In our school every teacher has a set of classroom rules. Today, I would like to tell you about our English teacher's classroom rules. We must always have our English class book and workbook. We mustn't use pen for writing in our workbook. We mustn't speak in Arabic in English classes. We must only speak in English because we need to practice the language. We must respect each other at all times, we mustn't be rude to one another. We must follow the classroom rules because it is good for us.

# Classify the classroom rules from the text.
