## How to play volleyball?

Dear Ali,

I am going to tell you about my favourite sport “volleyball”. It is an interesting sport. Players of this sport need to wear trainers. Volleyball is played on a special rectangular court that has a net in the middle. We need two teams of six players in each. In each team there should be three players.

Each team can try up to three times to return the ball. If the ball falls on the ground the team loses points. The game is played up to 21 scored points or we can agree on the points of the match.

I like to play this sport because we get to workout in a fun way and make new friends. Tell me about your favourite sport.

Best wishes,

Mohamed
