3 Listen and read. 11

A Trip to the Theatre

The National Theatre of Bahrain is in Manama. It's a beautiful building, with big windows and water all around it. The theatre is near the sea, so there are wonderful views from the building. Inside there are wooden walls and white floors, and the ceilings have got lots of little lights like stars in the sky.

Theatres are amazing places. It's wonderful to watch actors performing famous plays, but there are lots of other interesting things you can do at the theatre, too.

The National Theatre of Bahrain has got a big theatre with 1,001 seats. The seats represent the *Thousand and One Arabian Nights*. There's also a small theatre in the building, with 150 seats. There's a café, where you can eat great food, and there are two halls for events and celebrations. The theatre has also got an

outdoor area called the Art Garden, so people can sit outside and listen to music.

You can see some amazing performances. Do you like listening to music? Why not go to one of the theatre's wonderful concerts with famous singers and

musicians from all over the world? You can also see dance performances, fashion shows and awards ceremonies.

The National Theatre of Bahrain is a new building, but it's already famous. It's a wonderful place to visit.

4 Read again and answer Yes or No.

1 Is the National Theatre of Bahrain near the sea?

Yes

3 Are there 1,001 seats in the small theatre?

5 Can you listen to music in the Art Garden?

Yes

2 Has the theatre got small windows?

4 Are there concerts in the café?

6 Is the National Theatre of Bahrain in Manama?

5 **Think!** What kinds of performances do you like?

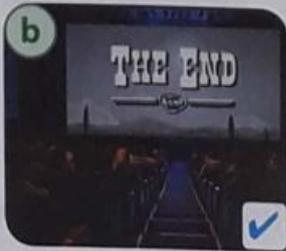

Do you and your friends like the same kind of music?
