**2. Write an e-mail to your English friend telling him about how to stay healthy.**

Hi Jack,

How are you? I'd like to tell you about how to stay healthy. Being healthy is very important to feel comfortable and to have a good body. If you want to keep healthy, you should do more exercise. You can walk, cycle, play football or even go swimming. Doing exercise helps you to be fit and strong. You can also eat healthy food such as fruits, vegetables or fresh food. Healthy food helps you to build a strong body and to avoid illnesses. You should also drink a lot of water and milk, which contains calcium. You should avoid junk food and fizzy drinks because it contains a lot of fat and sugar.

**3. Write an e-mail to your English friend telling him about a pearl diving tour in Bahrain.**

Hi Jack,

How are you? I want to tell you about my pearl diving tour last Saturday. It was fantastic and fun. We moved from Manama sailing port. We took all needed equipment and food. The captain told everyone what to do. He was great. When we arrived at the diving area, we started to put on our diving suits and diving equipment. Pearl divers taught us about the suitable oysters to collect. We collected a lot of oysters. Then we began to open oysters on the boat to look for pearls. I found a beautiful big one. I was really happy. I hope you can join us next holiday.

Ahmed

Hi Jack,

\_\_\_\_\_ How are you? I want to tell you about my trip last Saturday. It was fantastic and fun. First, we moved from Manama to Howar islands. We went by bus. We took all needed food. Our teacher told everyone what to do. He was great. When we arrived, we started to make tents for camping near the beach. Then, we watched beautiful birds and plants. We collected a lot of shells at the beach. Next, we played many games. We ate our lunch then started swimming in the beautiful warm water. Finally we returned back home at night. We were very happy. Please tell me about your last trip.

Ahmed
