Hi Mona

How are you and how is your family?

I am writing this email to tell you about my tour. Last weekend I went to the sea on a diving tour with my family. We went by a very fast boat. The weather was a bit windy but cool. My dad and my brother dived for pearls, but my mother and I played chess and waited for them we didn't dive. They collected many oysters from the sea floor. They opened them with a knife and found some pearls, they gave me one and I was really happy.

Please write to me and tell me what you did last weekend.

Love

Suha

When my dad was driving I saw the desert and some camels. The weather was hot and sunny , but we did lots of things there and went to lots of places. First we went to our hotel . We stayed in a big hotel in Salmiya city . Then We went to Almubarkiya and bought lots of things and ate Kuwaiti traditional dishes like Machboos and Zbaydi .After that we visited the museum and Kuwait towers and took lots of photos . The last day we went to the beach , we swam and played there. Finally we went back home tired but very happy because we enjoyed our trip.

Please write and tell me about your holiday.
