Unit 5 الوحدة الخامسة

Last Summer, I went on a pearl diving tour. I went with my family. **First**, we went to the diving center to buy tickets. **Next**, we met a tour guide who showed us how to use the diving equipment. **Then**, we went to dive underwater. We saw lots of colorful fish, dolphins and oysters. My family and I collected 20 oysters. **Finally**, we tried to open the oysters to see if there were any pearls! I was happy to go on this amazing adventure.

I give them medicine and advice on how to stay healthy. I wear to work a special uniform, which is a white coat. I like this job because I love to help people.

Unit 8 الوحدة الثامنة

Hello Rana,

How are you? My happiest memory was my ninth birthday party. It was on the 2nd of May 2020. I invited all my friends and family. They all came to visit. We sang, danced, and played games. We ate food and cake. I got many gifts from them which made me happy. I really had fun at the party.

Best, Noora
