3. Read the following text carefully.

Last year, my husband Mike and I decided to visit New Zealand. We wanted to tour the country, but we hate long car journeys. The travel agent suggested a 13-day bus tour. It was a good price, so we booked it with our plane tickets. We made a good choice. The bus journey was wonderful. It passed quickly and our driver told us about each place. We learned a lot from him.

We flew from London to Christchurch and had a free day there before the bus tour started. We weren't at all tired, so we walked round the city from morning till night. It has good museums, many restaurants and lovely shops. The best place we visited on the trip was Queenstown. You can choose to do almost anything, from sailing to climbing. We had three days there, but it wasn't enough.

All the hotels were good. My favourite one was the Puka Park Lodge. It was on a hill above a beach and there were trees everywhere. We woke up and listened to the birds singing. Now, when we're eating breakfast at home and we hear the noise of the traffic, we think of those beautiful mornings in New Zealand!

Now circle (T) for True and (F) for False.

3. Read the following text carefully.

George Weekes writes poems and books for all age groups, and sometimes reads his work on television. George Weekes talks about himself saying, 'My parents moved from Manchester to Jamaica where I was born, but East London has been my home for many years now. Tourists never come here. This part of the city has many problems and it is so difficult to live there, but there are also many good things about it. People of many nationalities live in this area, so there are shops with Jamaican bread, African vegetables, Chinese spices and lots of other interesting things. The shop my wife likes best is the one that sells beautiful Indian dresses. The local bookshop is much more friendly than a big store and I'm always happy to talk to people who read my books and poems! I'm 36 years old now but I don't really like 36 years olds! Once people become 30, they think about money too much and say that modern music is too noisy! Almost all my friends here are under 17. I love their language and music. They give me ideas for my writing. Sometimes I go for a run beside the river. There are flowers and animals and even cows there, so it's like being on a farm. I live and work in the city but I still love to live on a farm.'

- A) Tourists should go there. B) Life there isn't always easy.
C) It's in the city centre.

- A) have too much money. B) are often unhappy. C) don't like loud music.

(5) Most of George's friends

- A) are younger than he is. B) read all his books. C) are good at languages.

1. Why does George Weekes like his young friends?

2- Where does he run?

4. Read the following e-mail carefully.

Dear Jassim!

I've just come back from the United States. My Dad had some work in Los Angeles, so we all flew there. We stayed there in a small house near Hollywood.

Our house was near the museum, but we didn't have time to go. We went to some malls, which Mum enjoyed a lot, and to some music shops, which she didn't like at all!

I met a famous actor in one of the malls, but I couldn't take a photo with him because I forgot my mobile phone at home. I wanted to go to a basketball match, but mother said: "No".

Last Tuesday, dad came back early from work and took us to the zoo. At night, we went to the cinema to see a movie. I enjoyed my time very much. By the way, I bought you a nice present. It's a really exciting DVD and it'll help you with your Spanish classes. I'm sure you'll like it. See you next week at school.
