Part 3
Questions 16-20

Read the email from Adam to his friend Tom.
Circle the correct answer **A**, **B** or **C**.

Dear Tom,

Our trip to the Summer Camp was very exciting. I thought all students in our class were coming, but ten of them couldn't come. We left the city and drove by the sea then into the forest to reach the camp. All the boys said that this camp was better than the one in the mountains last year.

We felt upset today because the weather turned cloudy and we thought it was going to rain. But luckily it never did and the sky is clear now.

Camping is fun. We wake up at 6:00 and go running for 30 minutes. Then we have breakfast at 6:45. I wanted to join the hunting group, but it needed special equipment. I thought about the biking group, but then decided to try sailing in the end.

I'll be back home next week, and I hope we can meet then.
