A World Traveller!

Berto Alfredo is a Spanish actor. He travels around the world making TV programmes. Berto enjoys his work a lot. 'People welcome me everywhere I go. They are always kind to me and when I get home I remember all the wonderful things that happened in each country.' Berto has travelled to many countries, but there are a few trips that he would still like to make. 'I'd love to visit Canada and go back to Australia one day,' he says. 'I never liked the weather in India. It was too hot and I think I won't go there again.'

On each trip, Berto flies with a team of people. They bring the cameras and other filming equipment they need to make the programme. Berto does not take a lot of things for himself, just a few shirts and trousers, but he always makes sure he has some books in his suitcase.

Berto's wife, Camila, does not mind him travelling for his work. She has a lot of friends and keeps busy. When he gets back, she likes to listen to all his travel stories. But sometimes there are problems. When he was in Malaysia, Berto heard that his wife was ill in hospital. 'I felt terrible because I couldn't help, but she didn't want me to come home. I was so happy when I heard she was better.'
