**Writing**

**Write an essay about how a sport's uniform has changed. Include the following:**

- a paragraph about how the uniform was.
- a paragraph about how the uniform is today.
- a conclusion.

Football uniforms have changed many times through the years. Today, football uniforms are very different. The shorts are shorter, and the whole uniform is made out of light fabric. This keeps football players cool as they run. Instead of boots, football players wear soft leather shoes. Each team now has its own colors. For example, players on the Brazilian football team wear bright yellow and green shirts, blue shorts, and white socks. But these uniforms will change, too. After all, sports teams need uniforms that are practical but also in fashion!

**Basketball uniforms have changed through the years. Basketball uniforms are very different. Today they wear long shorts and sleeveless t-shirts. The uniform is made of lighter polyester and nylon. They wear sneakers, this keeps basketball players cool as they run or jump. Each team has its own colours now. For example, San Antonio Spurs players wear black and white t-shirts and shorts. In future, these uniforms will change too. Players need uniforms that are practical and in fashion.**
