(6x2=12 marks)

C- Read the following texts carefully. Then, answer the questions that follow.

14

Dave (16 years old)

I think I'm quite healthy because I never eat junk food and don't eat fattening snacks or too much sugar. I don't eat too much meat, and my mum makes nutritious meals with lots of vegetables. I also think that I'm fit because I'm an active person and I have a habit of doing outdoor activities like trekking and cycling. I often go to the mountains with my parents at the weekends with our bikes. We sometimes cycle 30 kilometers or more.

Karen (15 years old)

I like to go to the gym and I go swimming three times a week. I sometimes swim in competitions. I'm never in a bad mood when I exercise. I use a lot of energy so I eat quite a healthy diet. Before competitions, I always eat plenty of vegetables and I don't eat too much junk food. But I do eat a bit too much chocolate!

I eat a little every day. I think I have a chocolate addiction! If you want to be fit and healthy, you need to make an effort and work hard.

Sam (17 years old)

To be honest, my lifestyle isn't very healthy at all and I guess I'm not very fit. I never eat fruit and I hardly ever eat vegetables. I just don't like them. I love food like pizza and burgers and snacks, like crisps. So I'm a bit overweight and I guess there's a lack of vitamins in my diet. I generally do my homework in the evenings after dinner. Therefore, I often go to bed late and don't get enough sleep. I occasionally play football, but I don't think I do enough exercise. But I do a lot of mental exercise- I love playing computer games. I never sit at home and do nothing.

C.I Are these statements True (T) or False (F)?**(6x1=6 marks)**
