A description of my country

Bahrain is a small country. Manama is the capital of Bahrain and there are many cities like Hamad Town, Riffa and Isa Town. The weather in Bahrain is hot and sunny. Bahraini people are friendly.

"Machbos" and "Bryani" are famous dishes in Bahrain.

There are many places to shop in my country, you can go to Seef Mall, Dana Mall and markets. At night, people can go to the cinemas or dine in the restaurants. Also, you can visit the Arad Fort, Riffa Fort and Bahrain National Museum.

The climate is hot, warm and sunny in summer and in winter it's cold, windy and dusty. Bahrain is a very nice country; one can bring light clothes in summer because the weather is hot in Bahrain. That's all you should know about my country.
