Basketball uniform

Before, there were no special basketball uniforms.

Basketball players wore any type of sports clothes. The first basketball uniform had knee-length padded pants or shorter pants with long tights. There were two types of T-shirts, one with sleeves, while the other was sleeveless. The entire uniform was made of heavy wool.

Now, basketball uniforms are very different. They wear long shorts and sleeveless t-shirts. The uniform is made of lighter polyester and nylon. They wear sneakers, this keeps basketball players cool as they run or jump. Each team has its own colours now.

In future, these uniforms will change too. Players need uniforms that are practical and in fashion.
