Writing a letter while on holiday.

Dear Friend,

How are you? We are having a great time here in the south of France. The weather is amazing and we go swimming every day.

I am waiting to have my first water-skiing lesson. I'm really excited. There are lots of people on the beach today. There is a family sitting near me. They spend all their time in the sun! The water-skiing instructor is waving at me. I think it's time for my lesson now.

..Wish me a good luck! I am wearing a diving suit.

It's really great here. I wish you were with me.

Bye for now. See you soon.

Writing a biography of a footballer

My favourite footballer in Bahrain is Hussain Ali. He is a Bahraini footballer who was born on 11th October 1980 in Bahrain. He is one of the best and greatest footballers in the history of Bahrain sport. He has played for many clubs. Now, he is playing for Al-Ahli club. He has scored many goals. He is married and he has two sons and no daughters. In his free time, he usually goes fishing with his friends. He also likes travelling with his family. I hope I will be as famous as he is when I grow up.

A story about the worst moment in my life

Last Mondaywas my first day at my new school. I jumped out of bed in the morning feeling really happy and quickly got ready to leave for school.

As I was walking to the bus stop, I saw that the bus was already there! I ran to catch it but I fell on my face! All the children on the bus started to laugh at me. The bus driver got out and helped me up. He put a plaster on my knee and I slowly got on the bus. I felt very embarrassed. I sat in the front seat. All the kids made fun of me until we got to school. I felt really miserable all day and I didn't talk to any body. I think that was the worst moment in my life.

A story about the best moment in my life

Last week, I decided to eat my lunch in the park because it was a nice Sunday. I took my sandwich and sat on a bench by the pond.

Later, a big brown dog appeared out of nowhere and jumped on the bench beside me. I gave it a piece of my sandwich and looked around for its owner. I couldn't see anyone, so I looked at the dog's collar for an address. Luckily, I knew the street where the dog lived. So I took it home.

When I knocked the door, I got a big surprise. Standing in front of me, was my favourite singer! He was really pleased to see his dog again and gave me a free ticket for his concert.

That evening, I went to see him singing and I sat in the front row.

He came on stage and smiled at me. I was really happy. It was the best moment in my life.
