1. . Write an essay about how a sport's uniform has changed. Include the following: **(Unit 5)**

- a paragraph about how the uniform was.
- a paragraph about how the uniform is today.
- a conclusion.

Before the 1900s, there were no special **basketball uniforms**. The first basketball uniform had knee-length padded pants or shorter pants with long tights. There were two types of T-shirts, one with sleeves, while the other was sleeveless. The entire uniform was made of heavy wool.

Basketball uniforms have changed through the years. Today they wear long shorts and sleeveless T-shirts. The uniform is made of lighter polyester and nylon. They wear sneakers. Each team has its own colours now. Players need uniforms that are practical and in fashion.

2. Write an article about some upcycling ideas. Include the following: **(Unit 6)**

- a sentence that describes the idea.
- at least 3 examples to support your idea.
- a concluding sentence.

Upcycling is wonderful. It means the activity of turning old or used things and trash into new items. Combining things to make new useful things is a popular activity nowadays. For example, you can use coloured car tires as plant pots or swings. Party dresses can be turned into fancy cushions for the living room. Some upcycling ideas are more unusual, such as turning a small frying pan into a bird feeder. You just need to fix it in a cage, and surely you need some seeds for the birds. There are so many fascinating ideas to do with our old things. It is an opportunity to make use of them. Let's keep the earth clean.

3. Write a review to describe a product. Include the following: (Unit 7)

- **What the product is.**
- **What you like about it. (Good/ Positive points)**
- **What you don't like about it. (Bad/ Negative points)**
- **Your opinion about it.**

If you want to camp, this cool new gadget could help you. It is a **smart electronic tent**. You just need an app on your smartphone.

This product is amazing because it lets you camp easily . It functions on solar cells. You will put this tent in your car's trunk, then you will just fix it by using an app on your smartphone. The tent will be fixed in 5 minutes. I love this product because it has electronic beds with relaxing pillows.

This product is incredible, but there are two things about it that I don't like. First, if it is damaged, it won't be easy to repair it. Second, it is very expensive and not all people can afford it. All in all, I give this product five out of ten.

4. Write an account of a festival or celebration from your culture . Include the following: (Unit 8)

- **a paragraph that includes topic sentence.**
- **a paragraph that gives examples about the topic.**
- **a concluding sentence.**
