To: Zainab From: Zahraa Subject: Camping in Sakhair (Group Behaviour)

Hi Zainab,

Thanks for your email. It's been a long time since we last met. I'm writing this email to tell you about our group behavior when we go camping in Sakhir.

There are a lot of activities to do there such as buggy riding, which I love doing with my older brother because he's so competitive. Also, having BQQ with my dad is one of my favourite activities.

I enjoy spending afternoon time with my cousins doing amazing activities. For instance, we play hide and seek, and I always hide behind a huge tree where nobody can find me. At night, me and my sisters do another activities. For example, we sit around the fire and tell scary stories until my youngest sister scared and started to cry.

What about you? What do you enjoy doing with your family as a group? Write back soon.

Love, Zahraa
