#### 4- story

a- The worst moment :

Yesterday was a bad day for me, because so many things went wrong .First of all, I got up very late because I forget to set my alarm clock, and so I was late for school. My teacher was angry with me. Then I got home, I turned on the television to watch my favorite program. There was a big bang and a lot of smoke started to come out from the back .I couldn't watch TV. So I decided to play a game on my computer, but I also couldn't enjoy it . while I was playing , the electricity went out . I felt very miserable and I just went to bed .That was the worst day of my life .

b- The happiest moment story

Last week ,my classmates and I went on a school trip to fun land . The bus came at 9 Am and we arrived there at about 10 AM because there was a traffic jam.

As soon as we arrived , a man gave us bracelets and then we went to change our clothes .

We started skating .it was really a new thing to try . Some girls could skate well but others fell down many times .we laughed and laughed at each other .

At the end we ate meals from Jasmis and we came back to school at 1PM .

I was really happy , it was the happiest moments in my life .
