## Reading one

Read the letter, then answer the questions below.

Dear Mum and Dad,

I'm so happy to be here in Bergen for our holiday. I'm having a fantastic time and just love this part of Norway. Ali and I are staying at the historic Royal Hotel. At the moment we are at our room, having a cup of hot chocolate and enjoying the exciting view of the sea. The weather is cold, and perfect for skiing. The seven mountains around the city are covered in thick snow. In the quiet waters of the sea, you can sail past mountains, waterfalls and fields. We spend most of our days climbing the mountains with our Norwegian friends, Erik and Katrina.

Norwegians really love the outdoors. They are very friendly and kind to us. I think they are really good-looking. Most of them are tall, with fair hair and light blue eyes.

The food is delicious. Norwegians like eating fish and seafood, especially salmon, shrimps, lobster and caviar. I just love eating fresh bread and smoked salmon for lunch.

Next week we are going to Oslo. I can't wait to visit the Outdoor Folk Museum. Ali is not so interested, but I'm looking forward to it.

Our flight is leaving from Oslo next Friday, so I hope you'll receive this before we get home.

I think you should come here next year. I'm sure you would love it!

See you soon.

Love,  
Jassim

## Reading Two

**Read about Alex's story, then answer the questions below.**

*Last week I won a weekend at the Sun Spa for my story about unforgettable experience, in a TV program called "A funny thing happened."*

A funny thing happened last Saturday afternoon. I went to the mall to meet my friend Sammy. I was a bit early, so I decided to have a snack and a drink.

I went to a new café called The Metro. It was a little expensive, so I just got orange juice. It was really crowded, but I found a table and sat down.

Then a man came over and said, "Is this seat free?" he was friendly, so I said, "Sure." Anyway, he had a cup of coffee and a sandwich. He drank the coffee and ate half of the sandwich, and then he left. I was hungry, so I ate the other half.

Then a few minutes later, he came back! He was on his mobile, so I didn't explain about the sandwich. I just left; my face was so red because I was so embarrassed!

But things got worse. I met my friend Sammy about 15 minutes later, and he said, "Let's go and meet my cousin John. He just called me from The Metro Café."

And, yes, it was the same man!
