Second intermediate الصف الثاني الإعدادي

**1- Write an e-mail to your friend telling him about a summer job and your daily routine then.**

Dear Claire,

Great to hear from you! Guess what, I've got a summer job at Belvedere, outside Bournemouth. It's a summer camp for children.

In the mornings, I make sure they have a good breakfast. While they have their morning lessons, I tidy their cabins. In the afternoons, we organise games and activities. We're always really busy.

So far, I like the job. You don't need experience, but you need to be cheerful and outgoing because you deal with children all day. Why don't you apply for a job here?

Anyway, that's all for now.

Love,

Helen

**2- A letter of advice to your friend.**

Dear Claire,

Hi! How are you? I think it's great that your aunt Sophie gave you a puppy for your birthday. Don't worry – they're not very difficult to take care of. Here's what I suggest you do.

You should certainly take him to the vet, because he needs different injections and regular check-ups. You should also remember to take him for walks, as exercise is really important for dogs. Why don't you buy him some toys as well, since puppies love to chew things?

Well, I must go now. I hope this helps. Let me know what happens.

Best wishes,

Katrina

**3- Describe an important event in your country. (Bahrain National Day)**

Every year, the Kingdom of Bahrain holds a huge celebration on Bahrain National Day. It is held on December 16<sup>th</sup>.

People wear their traditional costumes and hold up flags of Bahrain and pictures of the royal family. They let off fireworks and make laser lighting shows which fill the sky at night.

They also go to the malls which are filled with gifts, flowers, toys, traditional clothes and national streamers. Buildings and cars are decorated with sparkling lights. The streets are crowded with people, so the atmosphere becomes so lovely and great.

Millions of visitors, who come to visit Bahrain yearly, attend this carnival. It is an amazing festival.

**4- Write about life in Bahrain 100 years ago.**

Life in Bahrain a hundred years ago was different from now. Many things have changed and life was much harder.

Nowadays, we have many things that people didn't use to have in the past. For instance: people used to live in big houses in large families. People used to work mainly in fishing and agriculture. They didn't use to have the electrical appliances that we have today. There didn't use to be modern means of transportation that we enjoy nowadays. People used to travel on horses and camels. They used to wear traditional costumes. But now they wear trendy clothes such as jeans and t-shirts.

People used to eat homemade dishes, and they didn't use to eat the unhealthy food we have today. All in all, I think life in the past used to be more difficult, but people were much happier and healthier.
