People in Bahrain used to live a different life in the past. They used to live in tents or in small houses made of mud. They used to wear traditional light clothes called "thob". They didn't use to drive cars but they used to ride camels and horses. They used to eat meat, fish and bread. They didn't have electricity, so there were no computers or TVs. Last week, I visited Bahrain City Centre. I went there with my family. We went by bus.

It's a big modern shopping mall. It has some good shops and restaurants. There are many cinemas where you can enjoy watching good films with your family. The prices were very good. I bought a jacket and my sister bought a bag. My father bought a suit and my mum bought some vegetables. We had lunch at a nice restaurant. The staff were friendly, polite and welcoming. I played computer games. It was very crowded, but we enjoyed it very much. It was one of the happiest days in my life.

Here's what I suggest you do.

You should certainly take him to the vet, because he needs different injections and regular check-ups. You should also remember to take him for walks, as exercise is really important for dogs. Why don't you buy him some toys as well, since puppies love to chew things?

Well, I must go now. I hope this helps. Let me know what happens.

2nd Intermediate Model Writings – 1st term

1. Write an email to your friend about the summer holiday.

Dear Ali,

How are you? I hope you and your family are fine. Great to hear from you. As you know, exams are over and I'm writing to tell you about my summer holiday. I have got a summer job. I am working in a restaurant. It's amazing!

In the morning, I greet the customers and serve the food. In the afternoon, I help in the kitchen and do the washing up

I'm always busy, so I get tired. I enjoy the job very much. You need to be friendly, cheerful and reliable. Why don't you apply for a job, too?

That's all for now. Write back soon.

Love

Ahmed

2. Write a paragraph about "Life in Bahrain 100 years ago"

People in Bahrain used to live a different life in the past. They used to live in tents or in big houses in large families. They used to wear traditional light clothes called "thob". They didn't use to drive cars, but they used to ride camels and horses. They used to eat meat, fish and bread. They didn't have electricity, so there were no computers or TVs. They used to do some traditional sports. They used to work long hours for less money. They used to work in pearl diving or fishing. Work was hard and tiring. Life in the past used to be hard, difficult, quiet and simple, but they were much happier.

3. Write a paragraph about "A visit to a place"

Last week, my family visited Bahrain City Centre. It is in Manama. We went by bus. It's a big modern shopping mall. It has some good shops and restaurants. There are many cinemas where you can enjoy watching good films with your family. The prices were very good. I bought a jacket and my sister bought a bag. My father bought a suit and my mum bought some vegetables. We had lunch at a nice restaurant. The staff were friendly, polite and welcoming. I played computer games. It was very crowded, but we enjoyed it very much. It was one of the happiest days in my life.

4-Write about a festival you have attended in your country (Bahrain National Day).

Every year, people of Bahrain celebrates Bahrain National Day. It is on 16th December. In the festival, people wear colourful, traditional costumes. They hold up flags and pictures of the Royal Family. The children let off fireworks and take part in different sports. People go to the malls and exchange gifts, toys and flowers. They decorate their houses with lights and decorations. There are many parades to see. Dancers and bands sing beautiful songs. The streets are crowded with people and tourists, so the atmosphere is lively. People try local food like machboos and fish.

In general, it is one of the best days in Bahrain, and I enjoy it very much.

Dubai is a wonderful place. We have done all sorts of exciting things. Yesterday, we went to Khalifa Tower. It is the highest building in Dubai. The view was wonderful. I have bought some great souvenirs, too.

6-One of your friends is overweight, and he wants to lose weight.

Write a letter giving him some advice.

Dear Ali,

Hi! How are you? It's a great idea to lose weight. Here's what I suggest.

You should eat fresh fruit and vegetables every day to be healthy. You shouldn't eat fast food like beef-burgers, French fries or chicken nuggets. I think you should do exercise. Why don't you cycle to school? Of course, that will help you to lose weight.

I have to stop now as I want to do my homework.

Write back and tell me if my advice helped you or not.

Yours

Hassan

C. Read the following text about “Amazing Creatures”. Then answer the questions below.

14

Amazing Creatures

Our Planet is home to about 30 million different kinds of animals. They are beautiful, they are special and they always amaze us!

Chameleons live in a variety of habitats, from rain forests and lowlands to deserts, semi-deserts, and even mountains. Many inhabit trees, but some live in grass or on small bushes, fallen leaves, or dry branches. They eat bugs and they are famous for their ability to change colour, their sticky tongue, and their eyes which can be moved into different directions at the same time. This helps them to spot their enemies and their food. As a chameleon grows, its skin does not. When it gets tight, they lose it. Their old skin is quite tasty so they often eat it. Yummy! If you see a chameleon sleeping during the day, or with one or both eyes closed, then it is sick. They never sleep during the day.

Crocodiles are large reptiles found in tropical regions of Africa, Asia, the Americas and Australia. They normally live near lakes, rivers, wetlands and even some saltwater regions. They run fast and sometimes jump to catch their food. When they see their food, they open their strong jaws and swallow it. The food goes straight down to their stomach. Crocodiles grow new teeth to replace their old ones all the times but they never clean their teeth and they cannot move their tongues!

Seahorses or “hippocampus” mainly live in shallow tropical and temperate waters throughout the world. They are found in Pacific waters from North America to South America. They can change colour to protect themselves from enemies. Male seahorses are the only males on the planet that have babies! The female leaves her eggs in the male’s pouch. The male carries them for a month. After one month, a thousand of tiny babies come to life. Seahorses have one partner during their lifetime. Each morning the couples dance together. Their dance usually lasts for several minutes.
