### **A happy day**

It was a nice day in spring when my friends and I decided to have our dinner in a restaurant

When we arrived at the restaurant, it was full of people. Some were eating; others were talking or ordering their meals. We were having our meals when the manager said that there was a lucky number to draw, the prize was a car. Then, he took out a number from the box, it was my table number. It was me the winner of the Lexus car.

I really didn't believe it. I was very happy. It was the best day of my life.

### **A terrible day**

Last Friday, my mother, my sister and I decided to visit my grandfather. While my mum was driving, my sister and I were chatting. It was the best day for the outing.

Suddenly, a big lorry jumped in front of our car, my mother shouted in anger but she couldn't control the car. It hit the lorry and then a light post at the side of the road. My sister shouted for help. My mum's head was bleeding. I didn't know what to do. I ran out of the car crying for help. Some people stopped and helped my mum and sister out of the car.

After a short while, the ambulance arrived and took us to the hospital. My mum was treated and she went home with my but my sister is still in the hospital with two broken legs and some injuries. It was the most terrible day in my life.

## **A mall review**

**Think about a shopping mall in your town or country. Write a review of the mall.**

**You may write about:**

- ❖ When it was built.
- ❖ Type of shops and restaurants.
- ❖ Service and facilities.
- ❖ Recommendations.

City centre is the biggest mall in Bahrain. It is located in Al-Seef District north of Bahrain. It was opened in 2009.

At the mall, there are lots of international shops such as, Bhs, Adidas, Virgin, and Zara. Moreover, there is a good food court contains several fast food restaurants where you can enjoy your meal listening to soft music and looking at shoppers. In addition to that, there are more than 15 cinemas where you can enjoy watching the latest films with your family or friends.

All in all, city centre is the best mall in Bahrain but the prices in shops are very expensive.

**A restaurant review**

**Think about a restaurant you have been to recently. Write a review of the restaurant. You may writ about:**

- Type of the restaurant.
- Quality of food and drinks.
- Price/ atmosphere/ service/ staff.
- Recommendations.

"McDonald's restaurant" is a new restaurant at city center in Bahrain. It was opened in 2008. It is a fast food restaurant with a friendly and relaxing atmosphere where you can enjoy your meal listening to soft music and looking at shoppers.

It sells different tastes food (salty, spicy or normal) and desserts. The food is fresh, hot and tasty. The prices are reasonable and the service is excellent. However, most of the workers do not speak Arabic.

I think it is in a good place where you can easily find lots of car parks. The quality of food and service is excellent. However, the staff should be good at Arabic.
