Pros and cons (An opinion essay) Fast Food

- Many people eat fast food in most of their meals. However, I strongly believe that people shouldn't include so much fast food in their diets.
- Firstly, fast food is very high in fat, which is harmful to our bodies. For example, eating a high amount of fat makes your blood thicker and so makes it harder for your heart to pump.
- Secondly, there is not much fresh fruit or many vegetables in fast food so it isn't a balanced diet. As a result, our brains and bodies do not work as well and we feel tired and stressed.
- On the other hand, fast food is not so bad if people don't eat very often. For example, eating fast food once a week isn't bad for your health.
- In conclusion, fast food meals are a rather unhealthy choice as they don't contain vitamins and minerals that our body needs. I think that people must eat different types of food to stay healthy and fit.

Pros and cons (An opinion essay)

* You have had a class discussion about the following statement: "Daily exercise is necessary for good health". Now your teacher has asked you to write an essay expressing your opinion and giving reasons to support it. You can use the following plan to help you:

Pros and cons (An opinion essay) Exercising

- Many people do very little exercise or none at all. I strongly believe that daily exercise is necessary for good health.
- Firstly, daily exercise is a good way to be fit. When you exercise, your body burns calories faster so you don't put on extra weight.
- Secondly, exercise can give you more energy. Many people who go to the gym say that they have more energy than they did before. Exercise helps your heart and lungs work better and make you feel good.
- On the other hand, exercise is not the only way to keep healthy. It is also important to eat healthy food. If you eat fruit and vegetables, you will supply your body with all the essential nutrients it needs.

- In conclusion, the best way to keep your body fit is to exercise everyday, even for a little while. I think if we make some time available each day to do a little exercise, we will lead much healthier lives.

* Write a short review of an important event in your country.

Review of an event

- Eid Al Fitr is an important Islamic event which is celebrated annually after a whole month of fasting. It is always celebrated on the first day of Shawal.
- Like all the families, we prepare for this day from the beginning of Ramadan. We buy new clothes for the whole family and buy sweets to be served to our guests. On this day, I usually go to the mosque in the early morning with my father for for Al-Eid prayer. Then, I go with my parents to visit our relatives and friends to congratulate them.
- People give children money as gifts. In the afternoon, all my family members gather in grandfather's house to have a meal. In the evening, I go to malls with friends.
- On this day, young people walk happily in the streets and children blow horns and play with colourful balloons. I feel so happy because it is a day of mercy as people forgive each other.

-Write a short article about a festival you have been to in Bahrain. Describe the events and how you felt (80-100 words). You can use this plan:

Paragraph 1: name, place, and time of the festival.

- Every year, the kingdom of Bahrain holds a huge celebration on Bahrain National day. It is held in Isa Town on December 16th.
- It was held last week. So, I went with my family to the center of the festival. We saw people wearing their traditional costumes and holding up Bahrain flags and pictures of the royal family. Then, we watched the fireworks and the laser lighting shows which filled the night sky. We saw celebrations in Bahrain National Stadium.
- After that, we went to the Malls which were filled with gifts, flowers, toys, traditional clothes and national streamers. We noticed that the buildings and cars were decorated with sparkled lights. The streets were crowded with people. So, the atmosphere was so lively. It was really great.

- Millions of visitors, who come to visit Bahrain every year, attend this carnival. It is amazing festival.

* Write a short story for a magazine entitled: "A dinner party". Use this plan:

- Last Sunday, my father came home early. My mother asked him about the reason. He told her that he has got a promotion at his work. So, he chose somewhere special to celebrate this occasion. He took us to a famous restaurant in the center of town for a dinner party.
- We reached the restaurant so early. It was quite busy, but my father had made a reservation, so the waiter took us straight to our table. We had a wonderful meal. The service was excellent and the food was delicious. We enjoyed the friendly atmosphere.
- After we had finished our dinner, my father asked for the bill. It was then that he realized that the restaurant owner was an old friend. He quickly came to us and embraced my father. They haven't met for a long time. It was really a pleasant surprise and unforgettable dinner party.
