Right now, I'm sharing a flat, but I'm moving into my own flat at the end of the month. This weekend we're going fishing! It's my first time, so wish me good luck.

**Write him an email giving him advice. Follow this plan:**

**Opening remarks:** express sympathy.

Dear Ali,

I've just got your email. I'm sorry that you have a problem. It's not as bad as it seems. There are lots of things to do to overcome this problem.

What you should do is eat a healthy diet. You should eat more fruits and vegetables. If you do this, you will lose weight and get more vitamins. You could also exercise and have enough sleep. That way you will get your body back.

I know it's hard to do at first, but it will work. Good luck and take care. Let me know how you are getting on.

All the best,  
Ahmed

**٥- Write an article for your school magazine ( ٥٠ - ٨٠ words) about a zoo in your country.**

### Al-Areen Wildlife Park and Reserve

Al-Areen Wildlife Park and Reserve is located in the western part of Bahrain. It is a wonderful zoo. It is ٤٠ minutes drive from the capital of Bahrain, Manama, Al Areen Wildlife Park and Reserve is more than ٨ square kilometers. The park is perfect for families and animal lovers to explore and enjoy seeing animals in the wild. It was built to protect rare Arabian species .

Today hundreds of other animals and bird species live contentedly in Al-Areen Wildlife Park such as ducks, pelicans, flamingos, gazelles, wild sheep, ostriches, camels, goats, donkeys and hundreds of exotic creatures. What's more, the animals are not locked in cages, so they are happier and healthier.

Al-Areen Wildlife Park is a fun and safe zoo. I think it is a brilliant place to visit and learn about wild animals.

**٦- A travelers' magazine has asked its readers to send in short stories entitled: ' The Most Exciting Holiday of My Life'. The best story wins a two-week holiday to Paris. Write the story (٨٠- ١٠٠ words).**

Last summer my parents took me to visit my aunt and uncle in Toronto, Canada. The flight took ٧ hours. When we arrived, my aunt and uncle were there to meet us. It was wonderful to see them again.

The next morning my uncle said that he was going to take us to see Niagara Falls, one of the biggest waterfalls in the world. It was amazing. I was taking pictures with my new camera when all of a sudden I saw a boat at the bottom of the falls. I watched in horror as it disappeared into the mist under the falls. I told my uncle to get help. I was sure that the boat was going to sink.

My uncle laughed and told me that the boat trip was for tourists and it was perfectly safe. Then he pulled five tickets out of his pocket. "Come on," he said "we're in the next boat."

**✓- Your English teacher has asked you to write a short story entitled:**

**'A Holiday to Remember.' The best stories will be published in the school magazine. Write the story (100 words).**

I was sick and tired of going to the same place every year, so last year my family and I decided to travel around Brittany for two weeks in a camper van. One night I was driving along the road when I noticed that there were no more signposts. Suddenly, I realised that we were lost. There were no lights anywhere, so I stopped the camper van for the night.

The following day, I woke up and the camper van was moving by itself. We were floating on the sea! I called for help immediately. Meanwhile, my wife was trying to stop water from coming into the camper van.

After a while, a boat arrived and pulled us back to the beach. A couple of hours later we were home, safe and sound! From then on, we decided to stay in a hotel for our holidays.

**✓- You have moved to a new neighbourhood. Write a letter to an English pen- friend about:**

- \*What there is to see and do there.
- \*What you like/dislike about it.
- \*How different it is from your old neighbourhood.

Dear Tom,

How are things? I'm writing to tell you that I've moved to a new neighbourhood.

My new neighbourhood is near the centre of the city, and there's a lot to see and do. There are lots of cafes, open-air markets, theatres, museums and art galleries. I love all the hustle and bustle, and everything is close at hand.

Of course there are some problems, such as the constant noise of traffic. It never stops. My old neighbourhood was very quiet, but it was boring. It's much more exciting here, and I'm really glad I've moved.

That's all for now. Write soon and tell me all your news.

Best wishes,  
Hussein
