# A letter of advice

Dear sally,

Hi! How are you? I hope you are fine I've just got your letter, and I was sorry to hear about your problem. I know how you feel.

When I moved to the city last year, I felt very lonely. Don't worry, there are lots of things you can do.

Firstly, why don't you join a club? There are lots of clubs in that area. That way, you will meet new people who enjoy doing the same kinds of activities. It would be a good idea to make a party and invite some classmates. If you do this, you will make new friends.

I hope I've been of some help. Write soon and let me know how things are going.

All the best,

Dina

## A letter of advice

Dear Nada,

Hi! How are you? I hope you are fine. I was sorry to hear about your problem of putting on some weight. In any case, there are lots of things you can do to lose weight

What you should do is eat a healthy diet, with lots of fish, fruit and fresh vegetables. You shouldn't eat fast food and sweets. If you do this, you will soon lose weight, you'll look healthier, too. You could also Exercise more and go to the gym. That way you'll burn calories and be in a good shape in no time.

I hope I have been of some help. Good luck, and let me know how getting on.

Best wishes, Zahra

## A letter about describing best friend.

Dear Ann,

Hi! How are you, I hope you are fine. I'm writing to tell you about my best friend.

Hanan is my best friend. She is 13 years old, with brown eyes and long wavy brown hair. She is quite tall for her age, very slim and fit. She loves wearing casual clothes like Jeans and trainers.

Hanan is sociable and outgoing. She loves chatting on the phone with her friends and taking part in team activities, like volleyball and swimming. She has sense of humor. She makes us laugh.

Hanan is a special person who means a lot to me. We may be different, but nothing is more fun than being together.

That's all for now. Write and tell me about your best friend. See you soon

Love, Sara

# Story

## (An Unforgettable holiday)

Last summer holiday I travelled to Kuwait with my aunts and cousins. The weather was warm and sunny.

We stayed in an elegant flat. My room was in front of the beach. I was excited so I told my aunts and cousins to go there. We were relaxing and playing with the sand and my aunts were taking some photos. Suddenly, I heard someone shouting for help .I saw a girl drowning .I ran to my cousin because she is a good swimmer and I told her to come and help the girl.

My cousin, Reem, went immediately to the sea to save the girl. Thank God that she could help her very fast. We were very afraid.

Finally her mother thanked us. We were very happy to save the girl's life.

# Daily routine

Dear Emily,

In the morning, I get up early, take a shower, have breakfast then go to school. In the afternoon, I go back home, have lunch, get some rest and do my homework. In the evening I watch TV, talk with my family and play computer games.

I am working so hard these days on my English project I am happy because I am working with my friends on it .

This weekend we are going shopping and visit my grandparents. That is all for now. I will write back soon.

## A letter of application

Dear sir/ Madam,

I would like to apply for the position of A part-time cashier which I saw advertised in 'Al-Waseet'.

I am a twenty two year-old. I'm studying for my 'A' levels now. I'm studying Maths. I have accounting skills. I can speak Arabic and English well.

I have two years' experience. I would enjoy working with the public as I like meeting people. I'm friendly and polite as well as honest and responsible so I think I'm suitable for the post.

I hope you will consider me for the position.

I'm able to attend an interview at any time.

Yours sincerely,

Salma

## Al-areen wild-life park

Al-Areen wildlife park is near zallaq in the kingdom of Bahrain . it's one of the most wonderful places in Bahrain.

The park has a lot of animals from different countries. There are peacocks , deer ,sheep and even giraffes . Also there is a small lake with ducks . What's more ,some animals aren't locked in cages . so they are happier and healthier . There you can enjoy your time by walking around and taking some pictures . I really like the place , it's wonderful because you can learn a lot about animals .

You joined a campaign to help the environment, it was for planting trees. Write a letter to your friend to tell her all about it.

Dear Maha,

Hi! How are you and your family? I hope you are all fine. I'm happy that you joined a campaign; I also did something to help the environment.

Last week there was a "Go Green" campaign to plant trees in our town. My family and neighbours organized it. We wanted to fill our town with a lot of trees to make it nicer.

We worked in small groups. Each group had its own leader. The first group bought the trees. The second group chose the places for planting them. The third group dig the ground and planted the trees. I was responsible for taking pictures. It was really exciting and I had so much fun.

I must stop now. I wish we can join the same campaign together next time. It will be great to work with you.

Love,

Sara

**An email describing the place you live in**

**Write an email to your English friend to tell her about**

Dear Noor,

Hi! How are you? How's everything? I'm writing to tell you about my neighborhood.

I live in a beautiful neighborhood in Hamad Town. There are a lot of flats and houses here. There is a big supermarket and small elegant shops. The streets are wide and tree-lined. The people are friendly and helpful. I love moving around with my bike but most people use their cars. The only thing I don't like here is the noise.

I enjoy going to the café here. My neighborhood is amazing. I can't imagine living anywhere else.

Well, that's it for now. Write back and tell me about your neighborhood.

Take care,  
Maram
