Reading – Part 2

10

The people below are all looking for a guidebook about Britain. On the following page, there are descriptions of six guidebooks.

Decide which guidebook (A-F) would be the most suitable for each of them (1-5). There is one extra guidebook.

(5 × 2 = 10 marks)

1		Claudia is interested in the history of Britain. She wants to visit as many old cities as she can and needs lists of inexpensive hotels, as well as information about public transport.
2		Dominique is an art student who is interested in seeing the most important art galleries in Britain. She needs to find out how to get to them by train and bus.
3		Rachel often visits different parts of Britain. She wants information about the best hotels and some advice on where to go out and enjoy herself in the evenings.
4		Paolo wants to spend time in the countryside and go walking. He needs to find out about inexpensive accommodations. He does not have a car.
5		Peter has visited the main British tourist centres before. So, he now wants to see the less popular towns and cities. He has lots of time and would like information on which quiet country roads to use.

 <h2 style="text-align: center;">Guidebooks on Britain</h2> 	
A	This book is for travelers who have money to spend. Top-quality hotels are listed, as well as excellent restaurants, shops, theatres, and cinemas that stay open until very late at night. Color maps and photographs of Britain's most important city centres make it an attractive and useful publication.
B	If you would like to know more about Britain's history but are tired of museums, this book will take you on a tour of the British countryside, stopping at castles and historical sites. For keen walkers, there are suggested routes, but a car is necessary to reach the start of each one.
C	This author stays away from the main tourist centres, which are well covered in other books. He tells us instead about the many towns and villages which are usually forgotten but are certainly worth visiting. His suggested routes avoiding the noisy motorways give a wonderful opportunity to drive through the beautiful countryside.
D	The author covers the history of a number of important British cities and also provides practical information about each one, including names of inexpensive hotels. The train and bus information may go out of date very quickly, but phone numbers are provided so routes can be checked.
E	This book contains 100 walks through fields and forests in different parts of the country. Every walk starts from a town or city, and some walks can be completed in a day. On other walks, you need to stay somewhere overnight. However, suggestions of inexpensive places to stay on the routes are included, as well as information about where to eat and public transport.
F	This new book gives useful information on galleries and museums. Unusually, it includes not just the main cities but also suggests visiting smaller towns whose museums and art galleries contain valuable collections. At the back, there is useful advice on using public transport to travel around Britain.
